Project Initiation	Define project goals and objectives	Identify project stakeholders	Develop project charter	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan
Project Planning	Define project goals and objectives	Identify project stakeholders	Develop project charter	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan
Project Execution	Define project goals and objectives	Identify project stakeholders	Develop project charter	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan
Project Monitoring & Control	Define project goals and objectives	Identify project stakeholders	Develop project charter	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan
Project Closure	Define project goals and objectives	Identify project stakeholders	Develop project charter	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan	Identify project resources	Develop project budget	Identify project risks	Develop project management plan

Legend:

- Green: On Track
- Yellow: At Risk
- Red: Delayed
- Blue: Cancelled
- Grey: Not Started

Notes:

- Project Initiation: All tasks completed on track.
- Project Planning: Task 1.5 delayed, Task 1.8 at risk.
- Project Execution: Task 2.3 delayed, Task 2.6 at risk.
- Project Monitoring & Control: Task 3.1 delayed, Task 3.4 at risk.
- Project Closure: Task 4.1 delayed, Task 4.4 at risk.
